TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgement as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U.S. funds. $1\frac{1}{2}\%$ per month service charge will be added to all bids delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

293	1843 Exactly as above with, additionally, a very tiny bump below the date and another at 1 o'clock. Still lovely and worth.	(300.00)
294	1844 Lovely extra fine, with minimal wear and a few field imperfections as normal in less than uncirculated.	(300.00)
295	1845 Lovely extra fine, once cleaned, with a slight lamination defect between 3rd and 4th stars, left obv.	(200.00)
296	1846 A shade below uncirculated with an absolute minimum of wear. Once cleaned and lovely.	(275.00)
297	1846-O Another beauty with almost no discernible wear. Cleaned, with a few slight edge scrapes or dings along the top and left bottom obverse.	(250.00)
298	1847 Lovely extra fine, this beauty is beginning to tone and shows just the merest hint of wear, with a little unevenness at the edges.	(300.00)
299	1848 Extra fine with a few field scratches about, notable below "States" on reverse. Still lovely.	(250.00)
300	1849 Just the merest shade below uncirculated, with some prooflike surface apparent. A lovely coin.	(350.00)
301	1850 A dark bluish beauty better than extra fine, few field imperfections, etc.	(350.00)

- 302 1850-O Extra fine, cleaned with two moderate edge bangs on the rev. Some scratching on reverse, one fairly deep. (Estimate)
(200.00)
- 303 **1851 A beautiful shiny PROOF, with a couple of tiny field imperfections, flawless, frosted Liberty and perfect edges. This is the restrike, which Redbooks at 2250.00 and should today bring. PLATE** (3,500.00)
- 304 **1852 The Original, of which only 1100 were minted. This lovely specimen was probably never in circulation but shows the slightest flatness on both Liberty's head and reverse wingtips, as well as a few marks scattered about which are not apparent to the naked eye. Altogether, a beautiful, Scarce coin which should bring. PLATE** (4,000.00)
- 305 1853 Only a few marks in both fields and slight weakness in head, prevent us from cataloging this piece as uncirculated. Once cleaned and lovely (450.00)
- 306 1853 Blackened extra fine, usual bangs & digs plus small started hole above eagle. (250.00)
- 307 1854 Extra fine plus, once cleaned. Quite scarce. (350.00)
- 308 1854 Cleaned extra fine with light buffing marks in the fields. (300.00)
- 309 **1855 A gorgeous prooflike first strike with sparkling, mirror-like fields containing only a few very minor flaws. Should be worth in excess of. PLATE** (600.00)
- 310 1856 A proof which, alas, has been in circulation briefly. Toning and mirror-like, its fields are a little scuffed and marked. Nonetheless, a scarce and desirable piece. (750.00)
- 311 **1857 PROOF with a few minor field imperfections. Lovely, frosted "Liberty" and just a little short of gem. Paramount specimen (2/24/73) brought. PLATE** (1,700.00)
- 312 **1858 Only 80 pieces were minted, all in PROOF, of this very scarce silver dollar. This specimen shows a few field imperfections and the start of toning around the edges. A lovely coin which Redbooks at \$2000 and, on today's market, should be worth. PLATE** (3,000.00)
- 313 1859 PROOF, however, this piece shows a few field abrasions and a dimple near left elbow, as well as a few other signs of having been briefly in circulation. (450.00)
- 314 1859-S First San Francisco dollar, of which only 20,000 were minted. This relic of the Old West grades about extra fine, and should bring. (300.00)
- 315 1859-O Extra fine, it was a first strike but shows considerable scuffing and abrasions thruout. It appears to have been carried as a pocket piece for a while. (200.00)
- 316 1860 a toning PROOF, one of 1330 minted. Shows some minor field abrasions and a couple of tiny spots, barely visible to the naked eye. (450.00)
- 317 1860-O Strong extra fine, but with extensive mishandling including a rather deep scratch below "States". (200.00)
- 318 1861 PROOF only 1000 minted. Somewhat hairlined, with a few tiny abrasions, and a couple of wee spots in the field. Nice appearance. (450.00)
- 319 1862 PROOF. Mintage 550. Same condition as above with a series of a dozen or so light scratches in the right obv. field. (500.00)
- 320 1863 PROOF 460 minted. Somewhat mishandled with uneven toning in the fields and what appears to be a minting imperfection like a tiny pimple by right shoulder. (500.00)
- 321 **1864 Mintage 470, PROOF, and rather nicer than the above two coins. Start of toning around the edges with light hairlining, and very minor imperfections in the field. PLATE** (500.00)

<p>In examining Morgan Silver dollars to determine condition, please bear in mind that Branch Mints, Carson City (CC) San Francisco (S) and New Orleans (O) are never struck up as sharply as the unmintmarked (Philadelphia) coins. Weakness in hairlines over the ear, on breast feathers of the eagle and occasionally on the wingtips are to be expected and do not detract from the values of these coins.</p> <p>The following Morgan silver dollars are all bright, shiny uncirculated pieces with a minimum of bagmarks, field abrasions and the usual imperfections one normally finds in silver dollars which have been bagged. Exceptions to this grading will be noted.</p>

DON'T BID IN THE DARK

If buying at auction is new to you

If you are unsure of what to bid

If your bids are generally unsuccessful

If you would like advice in bidding

You can take much of the guessing out of bidding at auction. We'll be happy to place our sixty-seven years of auction experience at your service, by supplying our estimates of the probable realizations of the lots in which you are interested. Simply send us a list of these lot numbers (leaving space for us to insert our valuations), and enclose a stamped, self-addressed envelope. Our reply will be forwarded promptly. If time is short, call us for this information. OF COURSE, HOW MUCH YOU BID, OR WHETHER YOU BID AT ALL, IS UP TO YOU.

Naturally, using our estimates doesn't mean that you will obtain every lot on which you bid. But you will be in the ball park, and should obtain a fair proportion of your bids, and at prices consistent with current market values.
